Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on February 4, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the reply stated that claim 1 read on the elected species, however, it is unclear if this mean that only claim 1 read on the elected species. If claim 1 is the only claim readable on the elected species it should be stated clearly or if there any other claims readable on the elected Species, that should be stated clearly. It is noted that applicant is required to indicate all the claims readable on the elected Species (see requirement mailed on November 2, 2004. See 37.CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eduardo C. Robert whose telephone number is 571-272-4719. The examiner can normally be reached on Monday-Friday, 9:30am-6:00pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kevin P. Shaver can be reached on 571-273-4720. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
